Welcome

Welcome to this schedule created to provide you with details of the SEIB Search for a Star and Racehorse to Riding Horse competitions.

SEIB are proud to have been running these competitions for nearly three decades and we make every effort to ensure all competitors have a good day and gain something from the experience.

We will be there to guide and support all those on their way to the Championships but our judges are happy to offer advice on the day to help everyone improve and learn from the experience. So many times, competitors don't qualify at their first attempt but by taking the time to listen to our judges and taking on-board the advice given often they come back at a later date and qualify for the big occasion. In the past this has taken a couple qualifiers for some, but for others it has taken several years. However, nothing compares to the excitement of actually getting that ticket. The more work that has gone into the attempt the more satisfying the accomplishment. So don't get depressed and just give up - ask for help!

SEIB take all cheating very seriously and we believe that the rules of Search for a Star are very clear. If you are not eligible it is very unlikely that we will not hear about it and we **WILL TAKE ACTION** and will disqualify any competitor that has broken the rules.

About SEIB & The Absolutely Genuine Company

SEIB Search For a Star Horse of the Year Show

Show Hunters, Show Cobs including Maxi, Riding Horse and Hacks, Working Horse, Working Pony, Traditional Gypsy Cob (all colours), SEIB SFAS Amateur Racehorse to Riding Horse (Stoneleigh only).

Search for a Star is designed to give amateur riders and owners an opportunity to appear at the prestigious Horse of the Year Show and to identify top class horses and ponies which otherwise may not be given the opportunity to compete at this level.

Although only for amateurs the series is run by professionals and the standards imposed are identical to those applied to professionals. One fundamental difference is that at HOYS the judges will use radio microphones to give their thoughts and explain decisions. They will not publicly criticise riders or horses.
